Friends of Full Circle...

In April, we welcomed the Minister for Disability Services, the Hon. Don Punch to Full Circle Therapies. This special visit was to confirm and launch the commencement of the building for Mason's House, our brand new state-of-the-art Paediatric Allied Health Centre. This purpose-built facility, which will replace our existing centre, and will increase our capacity for services whilst offering more comfort and convenience to our Goldfields families and carers.

The project is supported through \$2.7 million State Government funding, to deliver the new purpose-built Paediatric Allied Health facility in Kalgoorlie-Boulder.

Stay tuned for more updates on this incredible project.
