MASON'S HOUSE PROJECT

#thumbsupforfullcircle

Friends of Full Circle...

Things have progressed since our last update and we are well underway with our planning. We have been working closely with the City of Kalgoorlie Boulder throughout the application process and the team at CKB have been a huge support of this project in waiving some of our demolition fees, enabling more monies to be utilised on our Mason's House building.

The local demolition experts at Demolition WA have been appointed and we are very close to breaking brick.

The clean out of the Centre has begun and thanks to the crew at MLG Oz and one of our all time favourites, Billy Mason, a sea container has been placed onsite for storage and the FCT team have been busy moving our resources into this.

Emygor have kindly provided a work team and equipment to clear the space behind the Admin building where our new demountables' will be placed, for continuation of services. This involves another local supplier in Campbell's Camps who have prioritised the construction of the rooms so we can meet our demo timeline. Big thanks to Jack and the boys!

MASON'S HOUSE PROJECT

#thumbsupforfullcircle

Team FCT extend our gratitude to the below generous supporters who have donated money and services to the Mason's House project. Their contributions have been instrumental in turning our vision into reality. We are profoundly thankful for your commitment to making a positive impact in our community. Thank you for being a vital part of the Mason's House project.
